KoPropo Radio & Servo "Limited Blue Edition"

11/25/2015 14:33 by admin (comments: 0) KoPropo

Just for a short time and in limited quantity there will be available the KoPropo EX-1 KIY and the RSx2 Servo in a special "Blue Edition". Who is interested in one or both of these items should contact his dealer right away.

Ko Propo EX-1 KIY Blue Limited V3 with KR-413FH

The Radio has the same great functions than the normal EX-1 KIY but on top the radio has a special designed LCD Display, blue alloy screws and a blue grip handle. Also in the Set you will receive the KR-413FH Receiver.
