

SKYRC D100 Firmware / Software Update

04/10/2015 12:45 by admin (comments: 0) SKYRC

Latest Firmware V1.04 for D100 charger is available now. It enables D100 charger to charge lithium batteries without balance cord.

Download the update package and try the new function:

[>>> Download the new Firmware](#)

Instruction for the Update:

1.

Please download and unpack the '.rar' file

2.

Run the 'D100_VID5750_SK1.04.exe'

3.

Click 'Update'.

Activate new function in 'SYSTEM SETTING', find it here:

PC software Charge Master also has a new version V3.01:

[>>> Download Charge Master v3.01](#)

Notice: D100 chargers are compatible with Charge Master V3.0 ONLY. Firmware V1.04 is for the usage with the software as well as with the Wifi-Module and the app necessary.
